Dear Mr. Ogle:

RE: 1157 15th St.
Des Moines, IA 50314
EPA RCRA ID No. IAD102326278

We recently received information from the Iowa Department of Natural Resources regarding your Hazardous Waste Fee Form for calendar year 2005 activities at your facility. It is our understanding that the ownership of the property has changed. The previous owner notified the U. S. Environmental Protection Agency (EPA) that regulated hazardous wastes were generated at this location and they obtained the EPA ID Number referenced above.

If your company will be engaging in regulated waste activities at this location, you must notify this office using the enclosed Notification of Regulated Waste Activity form (EPA Form 8700-12). You may also use the form to inform us of the ownership change, or any other change in the information related to this facility. Please submit all correspondence and forms to my attention at the letterhead address within ten days.

We appreciate your assistance in keeping our records current and accurate. If you have any questions regarding this letter, please contact Mr. James Terry, working under a grant at EPA, at (913) 551-7958.
